Dear Sirs,

We refer to Official Letter 136/2024/CVM/SEP/GEA-1 ("Official Letter"), dated June 10, 2024, through which you request clarification from Braskem S.A. ("Braskem" or "Company"), as follows:

*"Mr. Director,*

*1. We refer to the news published on 06/09/2024, in the Radar Econômico column of Veja Magazine, under the title: "The company that emerges as a possible buyer of Braskem", in which the following statements were made:*

*PetroChina International (PCI) is the next big thing in the search for a buyer for Braskem. The biggest obstacle may be Petrobras, which holds 47% of the Brazilian petrochemical company's shares.*

*Negotiations for the sale of Braskem have been going on for months.*

*2. In view of the above, we request that you clarify whether the statements contained in the news are true and, if so, the reasons why it understood that it is not a material fact, in addition to commenting on other information considered important on the subject."*

In this regard, Braskem reinforces that it does not conduct any negotiations between the signatory shareholders of the Company's Shareholders Agreement ("Shareholders") regarding their equity stakes and clarifies that it is not aware of the information mentioned in such news, as for this reason, it has questioned its Shareholders, which has informed the following:

(A) Petrobras:

*"Regarding your question, Petrobras informs that it does not have any information that had not yet been disclosed to the market."*

(B) Novonor:

*"In relation to the question raised by you, we inform you that there is no information regarding Petrochina's potential interest in NovoNor's indirect participation in Braskem SA."*
