

## Eletrobras has its credit rating raised by Standard & Poor's

Rio de Janeiro, August 29, 2024, Centrais Elétricas Brasileiras S/A – Eletrobras that today, the risk rating agency Standard & Poor's (S&P) raised the credit rating on a global scale from BB- to BB, and reaffirmed the long-term and short-term ratings on the national scale of Eletrobras at brAAA/brA-1+ with a stable outlook.

The review of the credit rating reflects the operational and financial improvement of Eletrobras, since its privatization in June 2022, with the reduction of costs and expenses, simplification of the organizational structure, reduction of contingencies, optimization of capital allocation and management of financial liabilities.

The full S&P report is available on the Company's website (<u>https://ri.eletrobras.com/</u>).

Eduardo Haiama
