Changes in the Executive Board

New CFO and New Director of Regulation and Market

COPEL (“Company”), a company that generates, transmits, distributes and trades energy, informs its shareholders and the market in general that, on this date, the Board of Directors elected Mr. Felipe Gutterres, as Director of Finance and Investor Relations (“CFO”) of the Company, and Mr. André Luiz Gomes da Silva, as Director of Regulation and Market. Both hires were carried out through a selection process conducted by specialized consultancies in assessment, under the supervision of the People Committee.

About the new CFO

Felipe Gutterres has a degree in Economic Sciences from the Federal University of Rio de Janeiro (UFRJ), with specializations from COPPEAD – UFRJ, Harvard Business School and Fundação Dom Cabral. He has a solid professional trajectory in national and international companies, with extensive experience in corporate finance, leadership, business development and sustainability, complex negotiations, corporate innovation, operational risk management and investor relations, with a recognized track record in large companies in the Infrastructure, Logistics, Oil and Gas and Technology such as Wilson Sons, Sistac, Shell and Fintech Arara.io.

Mr. Gutterres replaces Mr. Adriano Rudek de Moura, who held the position since May 2017, contributing significantly to the growth and strengthening of Copel. The Company thanks Mr. Moura for his dedication and the excellent work carried out over the years.

About the new Director of Regulation and Market

André Gomes has a degree in Electrical Engineering from the Federal University of Engineering of Itajubá (UNIFEI), a certified management advisor CCA IBGC and a master's degree in Economics from the Brazilian Institute of Education, Development and Research (IDP). With more than 24 years of experience in the electricity sector, he held leadership positions in bodies and companies such as CPFL Energia, AES Brasil and the National Electric Energy Agency (ANEEL), being responsible for regulatory, strategic and institutional matters, standing out in conducting distribution and transmission tariff adjustment and review processes and leading the CEEE-T post-privatization management process. His last position held was President of CPFL Transmissão.
