

Conversion of Reserve Energy Contracts

Rio de Janeiro, October 8, 2024, Centrais Elétricas Brasileiras S/A – Eletrobras informs that, on this date, its subsidiary Centrais Elétricas do Norte do Brasil S/A – Eletronorte, in accordance with Provisional Measure No. 1,232, of June 12, 2024, entered into, with the Electric Energy Commercialization Chamber – CCEE, Reserve Energy Contracts - CERs backed by the UTEs Aparecida, Jaraqui, Tambaqui, Cristiano Rocha, Manauara, and Ponta Negra.

Additionally, agreements were signed with Amazonas Distribuidora de Energia S/A: (i) Termination Terms of the Electric Energy Purchase and Sale Contracts - CCVEEs backed by the aforementioned plants and; (ii) Term of Withdrawal and Waiver of pre-existing rights against the Union related to the purchase and sale of electric energy resulting from events prior to the “exchange of contracts for CERs”.

Eletrobras also informs that the drafts of the CER, Termination Terms, and Term of Withdrawal and Waiver were approved on a sub judice basis, under the terms of ANEEL Dispatch No. 3,025, of October 7, 2024.
