New General Director for Copel Comercialização

COPEL (“Company”), a company that generates, transmits, distributes and trades energy, informs its shareholders and the market in general that, on this date, Mr. Rodolfo Moraes Fontes Lima took office as General Director of Copel Comercialização.

With extensive experience in the electrical sector, professional Rodolfo Lima brings with him a history of leadership and innovation. Graduated in Electrical Engineering, with specialization in Project Management, he has in-depth knowledge in the area of market development, commercialization and negotiation in the Brazilian electricity sector, as well as experience in the area of systemic assessments and strategic definition for risk mitigation, forecasts of prices in the short and long term. Recently, the executive served as Chief of Commercial Officer (CCO) at AES Brasil and, previously, he held leadership positions at Three Gorges Corporation (CTG) and CPFL Energia.

The arrival of Mr. Rodolfo Lima occurs at a strategic moment for Copel, which is focused on consolidating its presence in the market and strengthening its operations in an increasingly dynamic and complex energy scenario.

Curitiba, June 03, 2024.
