New General Director for Copel Distribuição

COPEL (“Company”) informs its shareholders and the market in general that Mr. Marco Antônio Villela de Abreu took office on this date as General Director of Copel Distribuição.

Graduated in Electrical Engineering from the Escola Federal de Engenharia de Itajubá, with specialization from Fundação Getúlio Vargas – FGV and Fundação Instituto de Administração – FIA, he has over 30 years of experience in the energy sector, in multicultural environments and in large companies such as CPFL and ELEKTRO, especially in the electricity distribution segment. He served as Director of Distribution Operations and Director of Energy Distribution at the CPFL group, remaining as CEO of Rio Grande Energia between 2019 and 2024.

With Mr. Villela's leadership at the group's distributor, COPEL will continue to advance as an integrated company, valuing operational excellence, efficiency and discipline in capital allocation.
