New Director of Strategy, New Business and Digital Transformation

COPEL (“Company”) informs its shareholders and the market in general that, on this date, Mr. Diogo Mac Cord took office as Director of Strategy, New Business and Digital Transformation at Copel.

Mr. Mac Cord holds a PhD in Electrical Engineering from the Polytechnic School of the University of São Paulo - USP and a degree in Mechanical Production Engineering from the Pontifical Catholic University of Paraná - PUC/PR, with master's degrees in Public Administration from Harvard University and Technology Development from LACTEC/UFPR. Between 2019 and 2022, he held the positions of Secretary of Infrastructure Development and Special Secretary for Privatization at the Ministry of Economy. He developed a career in global consulting, working especially in the energy and infrastructure sectors, with experience at KMPG and Ernst and Young - EY, where he most recently held the role of leader of infrastructure and regulated markets for Latin America.

Relying on Mr. Mac Cord's vast experience and expertise, COPEL reaffirms its commitment to discipline in capital allocation and the significant strengthening of innovative practices for its business.
