Press Release

Vale and Apollo complete joint venture partnership transaction related to the Vale Oman Distribution Center

Rio de Janeiro, September 26, 2024 – Following the August 6 announcement, Vale S.A. ("Vale") informs that it has completed the transaction to establish a joint venture with Apollo related to the Vale Oman Distribution Center ("VODC").

VODC operates a maritime terminal in Sohar, Oman, with a large deep-water jetty and an integrated iron ore blending and distribution center with a nominal capacity of 40 Mtpy.

Gustavo Duarte Pimenta Executive Vice President, Finance and Investor Relations

This press release may include statements that present Vale's expectations about future events or results. All statements, when based upon expectations about the future, involve various risks and uncertainties. Vale cannot guarantee that such statements will prove correct. These risks and uncertainties include factors related to the following: (a) the countries where we operate, especially Brazil and Canada; (b) the global economy; (c) the capital markets; (d) the mining and metals prices and their dependence on global industrial production, which is cyclical by nature; and (e) global competition in the markets in which Vale operates. To obtain further information on factors that may lead to results different from those forecast by Vale, please consult the reports Vale files with the U.S. Securities and Exchange Commission (SEC), the Brazilian Comissão de Valores Mobiliários (CVM) and in particular the factors discussed under "Forward-Looking Statements" and "Risk Factors" in Vale's annual report on Form 20–F.
