

## Vale resumes EFVM railway operations after incident

Rio de Janeiro, September 27, 2024 – Following the press release dated August 26<sup>1</sup>, Vale S.A. (“Vale”) informs that it has resumed cargo transportation operations on the Estrada de Ferro Vitória a Minas (“EFVM”) railway line. As expected, the temporary interruption had no impact on the production plan.

Gustavo Duarte Pimenta  
Executive Vice President, Finance and Investor Relations

This press release may include statements that present Vale’s expectations about future events or results. All statements, when based upon expectations about the future, involve various risks and uncertainties. Vale cannot guarantee that such statements will prove correct. These risks and uncertainties include factors related to the following: (a) the countries where we operate, especially Brazil and Canada; (b) the global economy; (c) the capital markets; (d) the mining and metals prices and their dependence on global industrial production, which is cyclical by nature; and (e) global competition in the markets in which Vale operates. To obtain further information on factors that may lead to results different from those forecast by Vale, please consult the reports Vale files with the U.S. Securities and Exchange Commission (SEC), the Brazilian Comissão de Valores Mobiliários (CVM) and in particular the factors discussed under “Forward-Looking Statements” and “Risk Factors” in Vale’s annual report on Form 20-F.
