In this regard, Braskem clarifies that due to lots of news published on the media on March 21, 2025, about sales process of Braskem, the Company, which does not conduct any negotiations of its shareholders on the sale of shares of its issue, questioned Novonor and Petrobras ("Shareholders") on March 21, 2025, and its Shareholders sent the clarifications transcribed below, disclosed by the Company through a statement to the market on March 24, 2025.

(1) *Novonor:*

"In response to the clarifications requested, Novonor informs that, to date, there have been no material or binding developments in the discussions it has been holding with interested parties involving its indirect stake in Braskem S.A. Any material developments in the discussions will be immediately communicated to the Company, so that they can adopt the usual measures."

(2) *Petrobras:*

"Petrobras clarifies that it conducted due diligence on Braskem for the eventual exercise of tag along or preemptive right in the event of the sale of the shares held by Novonor in Braskem, according to the rules provided for in the Shareholders' Agreement between Petrobras and Novonor. Petrobras reiterates that there is no decision made regarding its stake in Braskem and continues to study alternatives."

Finally, regarding the period between March 13, 2025, and March 20, 2025, Braskem clarifies that it is not aware of any material act or fact not disclosed by the Company that justifies the fluctuations registered with its issued shares in the mentioned period.
